My Daddy **Can't** Work in Montgomery County!

Lower Salford Township Supervisors, Almac, and Skanska are discriminating against local workers...
and wasting your hard-earned tax dollars.

Protect Your Tax Dollars...

Support Fair and Open Competition in Lower Salford Township

Almac, a company serving the pharmaceutical industry, and its construction manager, Skanska USA, are constructing a 240,000 square-foot facility in Lower Salford Township.

But Almac and Skanska have decided that this project should be built using only union construction employees – which excludes more than 75% of local construction workers and **increases costs**.

Worst of all, you're paying for those increased costs...

because the Almac/Skanska project is receiving more than \$20 million of your tax dollars to help build it.

Stand Up for Local Workers & Protect Your Tax Dollars.

Contact your local township officials and tell them you support fair and open competition – and lower costs. Call **215-256-8087** or email township@lowersalfordtownship.org and tell them to support fair and open competition at Almac.
