ABC Endorses Dee Adcock for U.S. Congress

East Norriton, PA – Southeast Pennsylvania Chapter Associated Builders and Contractors (ABC) announced its endorsement today of Dee Adcock for the 13th Congressional District. As an entrepreneur, ABC is certain he will work industriously to promote free enterprise while supporting lower taxes so that our members can expand and hire new workers again.

“ABC is proud to support Dee Adcock for Congress,” said Steve Stoughton, 2010 chairman of ABC. “He has the practical business experience to find solutions to today’s problems and tomorrow’s issues that will be fair to all of his constituents. Dee understands the importance of economic growth and the free enterprise values that ABC members live by.”

“I am honored to receive this endorsement and look forward to working with the members of ABC both here and in Washington D.C. to promote a level playing field for all contractors, while representing the citizens within the 13th Congressional District,” said Adcock.

The 13th District is comprised of most of Montgomery County and parts of Philadelphia County. The seat is currently held by Democratic incumbent Rep. Allyson Schwartz.
