PRESS RELEASE

ABC to Host Annual Construction Expo February 28

East Norriton, PA – Associated Builders and Contractors Inc. Southeast Pennsylvania Chapter (ABC SEPA) today announced that it will be hosting its Annual Construction Expo on Thursday, February 28 at the Valley Forge Convention Center from 12:00 p.m. to 6:00 p.m. There is no cost to attend this event.

“In year’s past, participation was limited to ABC members,” said Bob Herbein, vice president of Allan A. Myers and 2008 chairman of the board for ABC SEPA. “The 2008 Construction Expo has been expanded to include all building industry professionals throughout the Greater Philadelphia region increasing the size of the show from last year. This is a great opportunity for building industry professionals to network with some of the best general contractors, specialty contractors and suppliers and to see the work of these fine craftsmen all under one roof.”

The ABC Construction Expo will include an outdoor heavy equipment display and a SAFETY ZONE, showcasing the latest in construction safety for 2008.

For more information on the event, please contact ABC SEPA at 610-279-6666.
